www.savashare.in

Your online share trading portal for hassle-free investment transactions

Sushil Finance brings to you www.savashare.in – India's premium online stock trading platform with unique research support to help traders/investors become successful in online trading in India. We offer simple pricing, quality order execution, outstanding tools, and of course a comfortable and matchless service in online shares trading.

Savashare is a swift, simple and secure online stock trading mechanism. It aims to leverage the power of the internet to give you the facility of placing your own orders anywhere, anytime through online trading. Based on your trading pattern and preferences, you have the option to choose from three powerful products of your online trading account:

- a) Swift Trade
- b) Power Trade
- c) Savashare App (Mobile Trading)

The Sushil's Online Trading Advantage

- ✿ Multiple exchanges in a single screen interface (BSE / NSE / Derivatives / NSE Currency)
- ✿ Excellent combination of technology and personal touch to ensure a unique experience
